

Berwyn's Summer Squads 2017

This summer we will be running a new format for our National Squads. Offering greater flexibility, better value and choice for developing squash players.

Each Clinic we will have a different theme incorporating drills, conditioned games, match play and fitness.

Flexible format: You can sign up for one day or the whole week.

How does it work: Ben will email you every week (on a Wednesday), to find out availability for the following week, all you have to do is reply to that email saying yes to whole week or list specific days wanted. Please respond to Ben's email asap, as each daily group is limited to eight players

The summer squads will run **Monday through Thursday, 5.30-7.00pm**

Start Date: June 12 thru end of August

Cost: \$40 per day, or \$100 for the whole week

If interested in signing up or have questions please email Ben@berwynsquash.com or call the club at 610-647-6375

Thank you in advance

Ben, Dominic, Gina, Joe, Josh
